

BY DONNA CAMERON

IN THIS ISSUE

Hi everyone my name is Donna Cameron and I will hopefully aim to have this Newsletter done up at the end of every month. I hope you will find this informative and interesting.

I would love your input and any pictures throughout the month to help make this an awesome Club Newsletter. Help me to make this how you as a member want to be informed.

Chris Whiting – President

by Donna Cameron

Each month I will do a introduction profile of all the MBCC executive committee. You will get to know who they are and little bit about who they are.

1. How did you hear about MBCC? *I heard this fabulous new cycling club had emerged a few years ago in our area, and I soon was seeing riding groups flashing along our local roads. I felt it was such a valuable addition to our local sporting scene, because people of all ages could now do a regular sporting exercise.*

2. What do you like about Cycling? *I love the camaraderie, the friendliness, and of course the actual exercise we can get. And the adrenaline.*

3. How would you describe yourself in three words? *"I don't know" ... wait, what about the Fraser clan motto? My grandmother was a Fraser. Their motto is "Je Suis Prest" which means "I am ready". There you go.*

4. What characteristics do you admire most in others? *Tenacity, refusal to submit to setbacks, desire to make the world a better place.*

5. What's the most incredible view you have ever seen? *Looking down onto Wineglass Bay in Tasmania.*

6. If you could have a coffee with a celebrity who would that be with? *The Premier Annastacia Palaszczuk! I'm biased.*

7. What or who makes you laugh the most? *My kids, and the weird and wonderful things they say.*

8. What is your favourite snack whilst cycling? *Mandarin*

9. If you could be a super hero, who would you be? *The Flash. I have so many things to do.*

10. What is your favourite quote? *"Tame the savageness of man and make gentle the life of this world" - Aeschylus and Robert F Kennedy.*

Join MBCC Today

by Donna Cameron

Some of the members were out and about the couple of months drumming up new members to join Moreton Bay Cycling Club. Did you spot them? Did you see the signs out and about? What about Selina's Van, did you see the van? Good work guys.

Tony and Kirstin drumming up new members for MBCC.

Did you spot Selina's Van the last couple of months? The new VP Kirstin and

LE SERVICE COURSE –
BICYCLE WORKSHOP BVRT TOUR
19 JUL 2020

Le Service Course - bicycle workshop BVRT
Tour Sunday 19/7/20

We picked up the friendly crew from Adam Pelzer's shop and we hit the road! First stop coffee of course, 2nd stop a pee break, brrr cold morning. Before arriving at Yarraman to kick off the ride. Kenny had a wardrobe malfunction after getting some great drone footage. But before we knew it they'd taken off on the perfect morning, to be next seen along the way and met at Linville for the first supported stop. Part 1 of our Tour Pics (as Tony Williams says, "Selina Green takes way too many photos")

Watts2Gain can cater for tours of up to 10 riders with their van and trailer.

Recreational Cycling Rides

by Steve McCoombe

What's been happening with the rides

Have you been thinking of coming out on a group ride? Don't know who to ask? Well get in touch with Steve and find out "What's Happening for the Month" Steve says below:

At the moment we are doing the Saturday rides.

Steve is new to the role and just starting to sort out what's happening. We just need to make sure we have ride leaders and post rides on the Facebook.

Steve is currently working on placing all the rides up on the Team App.

See below the rides so far:

TT Tuesday, Saturdays rides and Sundays Social One Hundy Ride.

N.B. The best idea would be to download the Teams App and then you can advise if you are attending the ride or not. With the current events happening around the world we do need to follow safe practices for COVID and also we will need to record who is actually attending the rides.

I hope you enjoyed my first ever Newsletter. It will be a work in Progress. I hope in the next one I can let you know how many new members we have and more pictures to share. If you are cycling around then send me some photos with your story and I can add it to the Newsletter. I will report news about our Para-Cyclists and what's on with Cycling Qld.
